About Coastal Projects

Coastal Projects Limited (CPL) is one of the prosperous construction companies in private sector engaged in developing infrastructure projects all over the country. The Company incorporated in the year 1995, is mainly engaged in various civil works/construction activities in different states of the country. CPL has emerged as one of the pioneers and specialists in the Underground Excavations covering all jobs of civil construction of Hydro Power Projects like Power House Complex, HRT, TRT, Surge Shaft, Surge Chamber, Desilting Chambers, Adits etc. and is endowed with most efficient work force. The Company has achieved optimum quantities in record time, completing the works well ahead of the project schedules to the satisfaction of the clients. The Company has complete and well equipped technical backup and suitably trained and specialized man power in their respective fields and has been able to make commendable strides in its chosen field of infrastructure.

The Company has executed contracts of well established Corporations both in Private and Public Sector and is well versed with the dynamics of project execution. With the experience it has gained in the field of tunneling, it has entered into joint ventures with some of the leading companies and firms to take up certain mega projects in power generation and irrigation to expand its horizons. Working in this direction the Company has successfully bid on its own the construction of Hydro Electric Projects on BOOT basis. The Company is executing Border Fencing Works on both eastern and western borders of India. Besides, the Company has acquired wind mill projects in the state of Tamilnadu to strengthen the national cause of pollution free power generation with an alternate source of energy. The growth and prosperity of the company attracted sizeable private equity infusion resulting in high net-worth of Rs. 573 crores by which the Company is eligible for sole participation in tenders without necessitating for a joint venture. The Company is presently commanding an order book position of over Rs. 8500 Cr and augmenting its top line and bottom line financials rapidly.

CPL with its past experience, has developed best and committed workforce in the field with a team of efficient leaders supported by experienced and well trained technical staff which includes among others 450 Engineering personnel viz. designers, planners, technicians and tradesmen, who are adept in handling the latest equipment that facilitate in increasing productivity in underground tunneling works and can adopt themselves easily to the new technologies to achieve national and international work standards.

Simultaneously, the Company has procured comprehensive and best fleet of equipment/machinery to achieve the national and international standards, of which 3 Tunnel Boring Machines displaying the state-of-the-art technology in tunneling are in the company's prestigious possession. It has on rolls experienced engineers, technocrats and professionals with proven track record apart from skilled/semi-skilled labour to execute big projects even under extreme climatic/geographic conditions. The Company supports 2000 skilled and 6000 semi-skilled employees all over the country.

The Company has very sound financials with manifold increase in its turnover in preceding span of 6 years. There has been a steady growth in projects year after year.

Future outlook:

The construction industry in India has been recognized as one of the priority sectors and there is increased thrust on the part of the Government on development of infrastructure i.e. Hydel Power Projects, Mini Dams, Water Supply Schemes, Laying of Roads etc. which are having bright prospects for the industry. Several State Governments are also giving importance to Hydel Power Projects for Power supply and Mini Dams for safe drinking water facilities in all rural and urban areas and thus opening new areas and activities for industries.

The privatization of transmission of Power by various Electricity Boards is opening up new avenues in the construction of Hydel Power Projects like Power House Complex, Head Race Tunnel (HRT), Tail Race Tunnel (TRT) and Desilting Chambers etc. As Thermal Power Projects are costlier and not eco-friendly, Government Authorities and other Organizations shift their preference to Hydel Power Projects, which are Economical and Environment Pollution Free. This has increased the opening up new opportunities to the Company. Government priorities on eco-friendly wind energy projects is an additional avenue which is being explored and exploited by the company. Besides Power Project Tunnels and Irrigation Tunnels, the future holds promise to Sewerage Tunnels and Metro Tunnels in the wake of sprawling metropolitan centres in the country. The company has specific plans to grow internally and expand internationally in due course.

In view of encouraging trends in the industry, the Company is expected to show an improved importance in its core business activity as the Company has already established its name in the above activities and is able to show steady growth in turnover. It continues to be the earnest endeavour of CPL to work for the satisfaction of its Clients and Principals and play a dynamic role, though modestly, in the nation building activities.

About Coastal Projects

Coastal Projects

Brief Profile Of Our Directors:

Mr. S. Surendra, Chairman & Managing Director:

A graduate in Engineering and Management having vast experience as Chartered Engineer, in the field of civil engineering, infrastructure projects and hydro power projects with a track record of successfully carrying out business independently for more than a decade.

For the past fifteen years he has gained expertise in construction of under ground Projects, specializing in arduous tasks like Under Ground Tunneling, Powerhouse Complexes, Exits etc., and meticulously accomplished the state of art projects. A progressive thinker and a planner par excellence, leading his team with high vigour and enthusiasm for the timely and successful accomplishment of the projects undertaken. He has a good professional team for executing Hydropower and Infrastructure projects all over the country and abroad. The Company has carved out a niche place in infrastructure / hydro power projects due to his visionary approach. His entrepreneurial acumen is an engineering force behind the growth of the Company.

Mr. S. Papayya, Director:

An Agriculturist turned Businessman having over 40 years of experience in Quarrying, RCC Works, Roads, Canals, Lining & Building. His experience spreads over various fields of civil engineering such as construction of roads, buildings, canals, mining etc. For the past several years he has gained expertise in handling construction of under ground Hydro Power Projects, specializing in different areas of civil works. He is endowed with good administrative and operational skills acquired over a period even under the most trying conditions. He has been guiding star for the Company and an invaluable source of inspiration to grow steadfastly over the years.

Mr. N. Sudhakar, Director:

A graduate in Engineering has served for more than 18 years M/s. TELCO, Jamshedpur and gained rich experience in the fields of Technical & Management areas. He has specialized in Quality control evaluation, testing and heat treatment of steel machining, failure analysis forging ISO 9000 quality systems. He is a much sought after technocrat where quality reliability engineering is involved and earned a reputation for commissioning highly sophisticated and technically advance equipment.

He has conducted studies of several companies for the establishment of quality system laboratories / testing equipment. His vision and technical expertise were of immense value to most of the companies in planning, selection of equipment facilitating their commissioning on a sound footing. His advice is of immense value for the Company to forge ahead maintaining highest standards of quality.

Mr. G. Harihara Rao, Director:

A graduate engineer and an entrepreneur well versed in machine management. He possesses wide exposure and experience for 20 years in procurement, deployment, maintenance of construction machinery and equipment whether indigenous or imported. Specialised in handling/working out logistics to the best advantage of the company. By virtue of good liaison with reputed manufacturers and dealers, his invaluable consultancy service is of paramount significance to the company.

Besides, his experience in the civil field for the past 5 years is an added advantage in his successful accomplishment of various tasks. His urge and acumen for business development is noteworthy

Brief Profile Of The Directors

Mr. P. Vasudeva Rao, Director:

An Engineering graduate in mining from Osmania University with a first class certificate of competency. He served Singareni Collieries, a Govt. of Andhra Pradesh Enterprise, in different capacities for 36 years till he reached the status of the Director (operations).

He has varied experience in conventional hand section mining, Blasting Gallery method, Longwell Method in open cast mining. He has brought laurels to Singareni Collieries in successfully implementing BG method of mining. He has visited several countries like France, China, Turkey, USA, Australia etc., in connection with the study, training and implementation of various techniques of mining. He was instrumental in securing "Coal India Trophy for the best implemented project" for the country. As General Manager in Singareni, he worked in mechanized OC mines and gained experience in draglines, 10 Cu .M Rope Shovels etc. As Director (operations) his emphasis on mechanization paved way for introduction of 23 LHDs and 58 SDLs.

Mr. Deven Coopoosamy, Nominee Director:

Mr Coopoosamy is the Assistant General Manager for Client Liaison and Business Development at Multiconsult Limited and was previously the Senior Manager responsible for the Fund Administration team. He holds a Certificate in Offshore Finance. He is responsible for providing fund-structuring advice and has been involved in advising clients on structuring, setting up, listing on Mauritius and International Stock Exchanges and administration of funds and companies in the global business sector. He has over 16 years of relevant experience in auditing, fund structuring and administration services within Multiconsult Limited.

He has participated in offshore international investment funds and tax conferences. Mr Coopoosamy is a director of several Multiconsult Limited client companies, including funds and asset management companies.

Mr. Rajesh Kumar Dugar, Alternate Director:

is a Senior Managing Director at FIL Capital Advisors (India) Private Limited. He has over ten years of leadership experience in the Indian private equity industry, and has made investments across multiple stages and industries. He holds an AB degree from Dartmouth College and an MBA degree from MIT Sloan School of Management.

Mr. Abhay Kumar Pandey, Nominee Director:

is Managing Director with Sequoia Capital India. He is an MBA from IIM Calcutta and a B.Tech., in Computer Science and Engineering from IIT Bombay. He was the Head of Real Estate and Infrastructure investment banking at DSP Merrill Lynch where he led capital raising for the largest Indian companies including initial public offering for DLF Ltd. He worked at McKinsey & Co, in Mumbai and Johannesburg, and also with a number of leading Indian corporations in the Media, Entertainment and Manufacturing sectors.

Mr. Jimmy Mahtani, Nominee Director:

Heads the India investment team of Baring Private Equity Asia Group, an Asia dedicated investment management firm with US \$ 2.5 bn under management. At Baring Asia, Jimmy has led investments in metals (Bhushan Power & Steel), organic textiles (Pratibha Syntex), edible oils (K.S. Oils), retail financial services (Karvy Stock Broking & Sharekhan), engineering & construction (Rithwik Projects) and real estate services (RSP Design) in addition to Coastal Projects Limited. Prior to Baring, Jimmy worked with General Atlantic Partners and helped establish their practice in India. Previously he was with the North America investment banking teams at Bear Stearns and Merrill Lynch. Jimmy graduated with triple honors from Georgetown University

Brief Profile Of The Directors

Coastal Projects

Mr. Veerabhadraraih, Independent Director:

He has over 20 years of experience in various capacities like Managing Director of Allwyn Watches, AP Beverages Corp. Ltd., AP Cooperative Bank Ltd., and served as Dy. Commissioner, District Collector, In charge of town planning, road-widening and development of twin cities of Hyderabad & Secunderabad, and Special Commissioner to Commercial Taxes, Secretary to Pay revision Commission, Secretary to Board of Intermediate Education, Secretary to Department of Revenue, Secretary to Industries & Commerce Department and Secretary to Govt. of Andhra Pradesh

Key Technical Personnel/Professionals

COASTAL PROJECTS LIMITED			
SL.NO.	NAME	DESIGNATION	EXPERIENCE
1	H.N. Gautam	Executive Director (HEPP)	44 years of experience in Construction of Hydro Electric Projects, Dams, Tunnels, Underground Works, Canals etc..
2	B. Ravindranath	Executive Director	20 years of experience in the field of Business Development apart from Administration and Human Resources Development in Corporate Sector
3	Sanjeev Ahuja	Executive Director	Qualified Chartered Accountant Having rich and diversified experience over 15 years
4	E. Venkatesan	Executive Director (Operations)	36 years of experience in constructions like Buildings, Power Plants, Bridges, Townships...etc.
5	A. Krishnaprasad	Sr. Vice President (Tendering & Marketing)	38 years of experience in the field of Water Transmission system, Irrigation Projects, HE Projects, Commercial Complex, railway Stations, Hospital construction, Construction of Railway and Waterway tunnels, Roads etc.
6	P. Yugandhar	Sr. Vice President (F&A)	45 years of experience in Corporate Finance & Administration
7	Ashok Joshi	Sr. Vice President	28 years of experience in Hydro Power Projects, Tunnels, Dams & other Civil Structures
8	K.G. Krishnan Nair	Project Director	52 years of experience in construction of Hydro Electric Projects, Tunnels, Mining Works ...etc.
9	G.S. Virk	Sr. Advisor	45 years of experience in higher management with reputed construction organizations and expert in Dams, Power Houses, Bridges etc.
10	K. Raghavendra Rao	Vice President (Technical)	37 years of experience in Singareni Collieries Company Ltd. in different capacities upto Chief General Manager cadre.
11	A. Bhaskar Rao	Vice President (F & A)	38 years of experience in Credit Administration & Banking
12	Sharad Kumar	Vice President	24 yrs exp in Infra Projects like power and water supply with implementation of hydro power project.
13	Jatinder Singh	Vice President (Buildings and Factories)	Over 29 years of experience in Hydro Irrigation Projects, Water/ Sewage Treatment, Building Construction Industrial and Residential.
14	Ashok Shetty	Vice President (Thermal Division)	22 years experience in Planning and construction of Thermal Power Projects

Key Technical Personnel/Professionals

SL.NO.	NAME	DESIGNATION	EXPERIENCE
15	T. Prasad	Sr. General Manager	26 years of experience in Engineering and specialist in Tunneling and Hydro Power Projects.
16	S.L. Sharma	Sr. General Manager	29 years experience in Indian Army and Corporate Sector
17	H.S. Nanda	Advisor	38 years of experience in Govt. Sector construction organisations and served in different construction projects.
18	Sanjay Kumar Pandey	General Manager (civil)	16 years of experience in underground civil works in Heterogeneous Himalayan Geology in India, Nepal & Bhutan
19	S. Chandra Mouli	General Manager (Civil)	32 years of experience in Irrigation Department of Govt. of AP with elevation upto Chief Engineer. As SE he executed entire scheme of SLBC.
20	A. Nandy	Advisor	39 years of experience in engineering and specialist in Tunnel and Hydro Power Projects.
21	S. Ravindran	General Manager (Civil)	36 years of experience in various construction activities like Hydro Electric Projects, Tunnels, Dams...etc.
22	L. Krishna	General Manager (Technical)	35 years of experience in Singareni Collieries in various capacities till he retired as Addl. Gen Manager (E&M)
23	P. Bankim Babu	General Manager (Electrical)	36 years of experience in construction and maintenance of E.H.T Lines & Sub-stations, Distribution, M.R.T works
24	M. Chandramouli	Consultant (Purchase)	40 years of experience in Erection, Maintenance, Operation & Manufacturing of Mining Machinery and also in Procurement & Material Management
25	S. Krishna kumar	General Manager (Civil)	17 years of diverse technical and managerial experience in Hydro power Industry.
26	I. Radha Krishna Rao	Consultant	36 years of experience in Operations Management, Mining Operations, Project Planning & Execution, Maintenance, Procurement ... etc.
27	Ch. Mohan Rao	Addl. General Manager (F&A)	14 years of experience in Finance & Accounts and Corporate Affairs
28	Sk. Moulali	Addl. General Manager	14years of experience in construction industry with high experience in Mining Operations.
29	P. Chandrasekharan Nair	Addl. General Manager (Civil)	34 years of experience in Civil Engineering Constructions, Steel Industries, Bridges...etc
30	Satpal Singh	Addl. General Manager (Civil)	10 years of experience in Civil engineering functions like Hydroelectric Projects, Underground Works, Bridge Works and Surveying
31	A. Nagappan	Addl. General Manager (Asset Management)	19 years of experience in Non Banking Finance Companies at various capacities
32	Raj Kumar Rana	Addl. General Manager (Civil)	20 years of experience in Hydro Power Projects, Dams, Excavation works... etc
33	Y.V. Rajendra Chowdary	Addl. General Manager (Mechanical)	28 years of experience in Manufacturing, Automobile Industry, Construction Industry with Project Management, Implementation of Mechanical Works, Workshops, Material Handling.
34	Pankaj Sati	Addl. General Manager (Business Development)	Experience in key account management, Business Development and Marketing, Project development and Implementation, Revenue generation through new accounts
35	Vivek Kumar	Sr. Dy. General Manager (Civil)	24 years of experience in Construction of Industrial Plants, Manufacturing Units, Refineries and Cross Country Pipeline projects.
36	K.Vasantha Lakshmi	Sr. Dy. General Manager (F&A)	23 years of banking service with expertise in handling credit portfolio.
37	P.V.S.R. Jogeswara Rao	Sr. Dy. General Manager (F&A)	41 years of experience in Finance & Accounts

Key Technical Personnel/Professionals

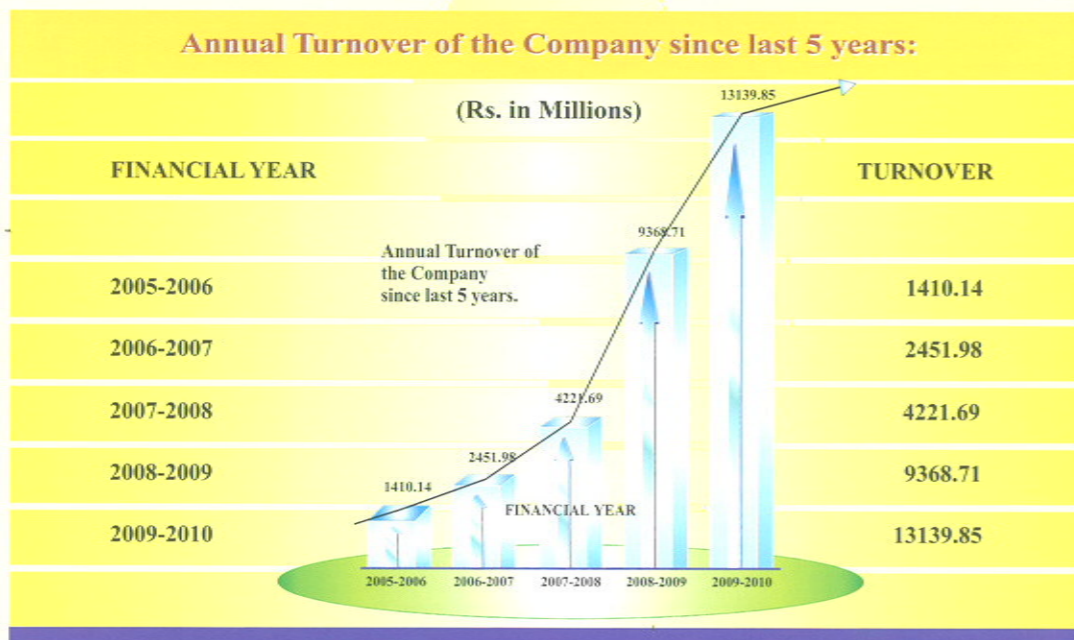

Coastal Projects

SL.NO.	NAME	DESIGNATION	EXPERIENCE
38	T. Tirumala Rao	Sr. Dy. General Manager (Mechanical)	26 years of experience in Mechanical engineering in AP Heavy Machinery & Engg. Designing and Fabrication methods for various Mining Machinery, including designs 2D/3D models using AUTOCAD
39	Dharmendra Kumar	Sr. Dy. General Manager (HR)	15 years of experience in Personnel, HR, IR, PR & Administration Departments
40	Suresh Poojari	Sr. Dy. General Manager (Civil)	26 years of experience in Hydroelectric Projects, Tunnels, Dam, Power House, Irrigation Projects etc.
41	B.P. Reddy	Dy. General Manager	11 years of experience in Hydro Power Projects and Mining Operations.
42	B. Prabhakara Rao	Dy. General Manager (HR)	37 years of experience in Finance, HR and Administration
43	Y.S.V.S. Raj	Dy. General Manager (Mechanical)	18 years of experience in Repair, Service & Maintenance of Earthmoving, Construction, Tunneling, Mucking, Road Construction Equipments.
44	V. Koteswara Rao	Dy. General Manager (Civil)	36 years of service in Irrigation Dept., Govt. of AP in different capacities.
45	B. Sreeramulu	Dy. General Manager	32 years of experience in Singareni Collieries Co. Ltd in different cadres up to Addl. General Manager (Elec & Mech)
46	T. Ramesh Babu	Dy. General Manager (F&A)	39 years of experience in Banking, Finance, Administration, HR & Liaisoning.
47	C.N. Nagender	Dy. General Manager (Mechanical)	32 years of experience in Singareni Collieries Co. Ltd in different cadres up to Addl. General Manager (Elec & Mech)
48	R.P. Shahi	Dy. General Manager (Civil)	37 years of experience in Collieries, substation installation and maintenance, workshop management for mechanical, electrical and hydraulic equipment.
49	V.V.R. Nair	Dy. General Manager (Mechanical)	35 years of experience in Maintenance, Sales, Service of Vehicles & Machinery
50	P.S. Sivaramakrishnan	Dy. General Manager (Civil)	45 Years of experience in Under Ground Tunneling, Vertical Shafts, Under Ground Caverns, Tunnel Lining Works...etc.
51	Satyendra Prasad	Dy. General Manager	21 years of experience in Tendering, preparation of BOQ, Estimation, Project Execution, Material Handling on Thermal Power Projects, Dams & Tunnels
52	T.P. Rajan	Dy. General Manager (Civil)	27 years of experience in Construction of Hydroelectric Power Projects, Lift Irrigation Projects, Tunnels, Bridges & Roads ... etc.
53	Sanjay Kumar Law	Dy. General Manager	13 years of experience in various constructions like Residential Luxury Villas, Multistoried Commercial & Residential Buildings, Bridges & Roads...etc.
54	Md. Iftekhar Hussain	Dy. General Manager	Total 19 years of experience in Thermal Power and Hydroelectric Projects and managing complete site activities which includes planning, works supervision
55	Kinnar Kapoor	Dy. General Manager (Civil)	14 Years experience in Tunnel Engineering, Expertise in swiftly ramping up projects with competent cross functional skills & on time execution, relationship management, communication skills with the ability to network with project members, clients, Statutory agencies with consummate ease.
56	Pothiraj Rathakrishnan	Dy. General Manager (Operations)	16 years of experience in senior management capacity in Financial Accounting, Internal Control, ERP System development & deployment and General Administration, Expertise in 6 Sigma, Lean Practices, Quality Management & Information Security Management functions.

Key Technical Personnel/Professionals

SL.NO.	NAME	DESIGNATION	EXPERIENCE
57	C. Chandra Mohan Rao	Consultant (Mechanical)	35 years of experience in Singareni Collieries in various capacities in the areas of Open Cast Mining Machinery, Area Workshops, Coal Handling Plants and Erection of Mining Machinery.
58	Sivanarayana Neppalli,	Dy. General Manager	33 years of experience in Manpower Planning, Financial Management, Purchase and Site Execution
59	S. Madhusudhan Rao	Sr. Project Manager	15 years of experience in Construction Industry and high experience in Mining Operations.
60	P. Vasantha Kumar	Sr. Project Manager	15 Years of experience in Civil Works like Canal Excavation, Construction of Bridges, Culverts, Erection of Industrial Structures, Roads & Buildings
61	S.M. Rafi	Project Manager	16 years of experience in Tunneling & Hydro Power Projects
62	V. Ramesh	Project Manager	15 years of experience in underground excavation works including equipments planning etc.
63	G. Raveendra	Consultant (Civil)	23 years of experience in Irrigation & Infrastructure Projects
64	Chitta Rabjan Bhattacharjee	Project Manager	41 years of experience in Dept. of Power, Govt. of Tripura. Having Experience in Construction and operation, maintenance of EHV, HV and MV lines and Substations. Construction of Micro and Mini Hydel Projects.
65	V.N. Chandra Mohan	Project Manager	38 years experience in Kerala PWD with experience in Bridge, Tunnel construction, Irrigation works, Road Maintenance works, Hospitals etc.

Growth Pattern Of The Company

Note: Estimated Turnover for the Financial Year 2010 - 2011 is Rs. 22000.00 Millions

Growth Pattern Of The Company

Coastal Projects

Works On Hand

Name: Coal Handling Plant of Damodar Valley Corporation

Location: Durgapur
Client: ThyssenKrupp Industries India Pvt. Ltd,
Value of Work: Rs. 1391.40 Millions

Scope:

- Civil works of coal handling works of Damodar Valley Corp, Durgapur Steel TPS(2 x500 MW) at Andal, Bardhaman District ,West Bengal on lump sum turnkey basis.

Name: Sleemnabad Carrier Canal (Bargi Right Bank Canal)

Location: Katni, Madhya Pradesh
Client: Patel-SEW (I.V)
Value of Work: Rs. 7200.00 Millions

Scope:

- Execution of the Sleemnabad Carrier Canal (Bargi Right Bank Canal) for Bargi Diversion Project from R.D. 104 Km. to R.D. 129 Km. on TURNKEY Basis comprising the work of Survey, Planning, Geotechnical Investigation, Design, Estimation, Preparation of Permanent Land Acquisition Cases, Construction of Lined Tunnel (about 12 Km. in length, about 10 m. diameter) with cut and cover RCC transitions (about 900 M. Length), construction of Canal (about 13 Km. In length) by Excavation, Cement Concrete lining, all inline structures and commissioning and testing of the canal system

Name: Teesta Hydro Electric Power Project Stage III

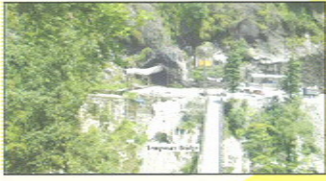

Location: Sikkim
Client: Abir Infrastructure Pvt. Ltd.
Value of Work: Rs. 1700.00 Millions

Scope:

- Construction of Power House & other Associated Works at 1200 MW Teesta Stage - III Hydro Electric Project.

Works On Hand

Works On Hand

Name: Rangit Hydro Electric Project Stage IV.

Location: Sikkim
 Client: Jalpower Corporation Ltd.
 Value of Work: Rs. 3400.00 Millions

Scope:

- Construction of Head Race Tunnel, Dam, Intake, Desilting Chamber, Diversion Tunnel, Surge Shaft, Pressure Shaft, Power House, Tail Race Channel & Switchyard, Rood Diversion Tunnel Package for Rangit Hydro Electric Project St. IV (3x40 MW)

Name: Irrigation Tunnels

Location: Udaipur, Rajasthan
 Client: Govt. of Rajasthan, India.
 Value of Work: Rs. 1716.90 Millions

Scope:

- Construction of Main Tunnel from Akodra Dam to Bujara, Village - Reach 1 & Reach 2

Name: Kakatiya Thermal Power Project

Location: Chelpur, Warangal, Andhra Pradesh
 Client: BGR Energy Systems Limited
 Value of Work: Rs. 330.50 Millions

Scope:

- Construction of Civil & Architectural Works of the buildings and foundations.

Works On Hand

Coastal Projects

Works On Hand

Name: EPC Package I, II, III of Godavari

Location: Khamman District, Andhra Pradesh.
 Client: Manisha-Indu (J.V)
 Value of Work: Rs. 1630.00 Millions

Scope:

- Formation of Flood banks protection works including designs and forming Approach Roads on right margin of Godavari River

Name: Other Electrical Works

Locations: A.P., Karnataka, Maharashtra & Tripura
 Total Value of Works: Rs. 2300.54 Millions

Scope:

- Execution of Rural Feeders, Supply of Material and maintenance for 5 years.
- Construction of Flood-Lighting along Indo-Bangladesh Border

Name: A.M.R Project Tunnel - 2

Location: Devarakonda, Andhra Pradesh
 Client: Jaiprakash Associates Ltd
 Value of Work: Rs. 1320.00 Millions

Scope:

- Construction of Tunnel, execution, testing and commissioning of works related to A. Madhava Reddy Project Tunnel 2 and length 7250 Mts.

Works On Hand

Works On Hand

Name: HNSS Main Canal Phase II/6, 10, 15, 20

Location: Anantapur, Andhra Pradesh
Client: I & CAD Dept., Govt. of Andhra Pradesh
Value of Work: Rs. 1351.00 Millions

Scope:

- Excavation and Construction of Tunnel Dia 7.50 Mtrs., complete shape including lining of HNSS Main Canal from Km.285.100 to Km.287.100 under phase II duly providing approaches 150 Mtrs. both sides Km.2.000.
- Excavation and Construction of Tunnel Dia 6.60 Mtrs., in complete shape including lining on HNSS Main Canal from Km.358.500 under Phase - II duly providing approaches 150 Mtrs. both sides Km.2.500.
- Excavation and Construction of Tunnel Dia 5.20 Mtrs., in complete shape including lining on HNSS Main Canal from Km.412.000 to Km.415.000 under Phase - II duly providing approaches 150 Mtrs. both sides Km.3.000.
- Excavation and Construction of Tunnel Dia 4.96 Mtrs., in complete shape including lining on HNSS Main Canal from Km.506.000 to Km.511.100 under Phase - II duly providing approaches 150 Mtrs. both sides Km.5.100.

Name: Budhil Hydro Electric Project

Location: Chamba, Himachal Pradesh
Client: LANCO Infratech Limited
Value of Work: Rs. 1200.00 Millions

Scope:

- Construction of Tunnels and Adits, Power House, Pressure Shaft, Surge Shaft, Tail Race Tunnel and complete civil works related for the completion of the Project.
- 4.5 Mts. D Shaped and 110 Mts. & 50 Mts. long.

Coastal Projects

Works On Hand

Name: JCR Devadula Lift Irrigation Scheme, Phase-III, Package-III.

Location: Mulugu, Andhra Pradesh
Client: HCC Limited
Value of Work: Rs. 9050.00 Millions

Scope:

- Investigation, Design & Execution of Tunnel of minimum 6.00 M internal diameter with carrying capacity of 49.6 cumecs water from Ramappa tank to Dharmasagar tank and construction of Head Regulator at the entry portal of tunnel including Civil, Electro-mechanical & Hydro-mechanical, Instrumentation, Auxiliary, miscellaneous equipment and SCADA communication system at Pumping Station-in Warangal District of Andhra Pradesh, India.

Name: N.F Railway Tunneling Project

Location: Imphal
Client: North-East Frontier Railway, Maligaon.
Value of Work: Rs. 3659.40 Millions

Scope:

- Construction of Single Tunnel No.1 (Approx. Total Length 3250 Rm) at Km. 15.880 to Km 19.500 in between Dholakal to Kaimai in connection with construction of New Railway Line Project Jiribam Tupul (Imphal).
- Construction of Single Line BG Tunnel No.13 (Approx. Total Length 860 Rm) at Km.70.440 to Km 71.300 and Tunnel No.14 (Approx. Total Length 640 Rm) at Km. 71.640 to Km 72.280 between Jiribam to Imphal in connection with construction of New Railway Line Project Jiribam Tupul (Imphal).
- Construction of Single Line BG Tunnel No.15 (Approx. Total Length 420 Rm) at Km.72.560 to Km 72.980 and Tunnel No.16 (Approx. Total Length 640 Rm) at Km. 73.260 to Km 73.900 in between Jiribam to Imphal in connection with construction of New Railway Line Project Jiribam Tupul (Imphal).

Name: MOSER BAER Thermal Power Project

Location: Anuppur, Madhya Pradesh
Client: M.B. POWER (MP) LTD
Value of Work: Rs. 3467.70 Millions

Scope:

- Civil Works at Site For 2 x 600 MW Thermal Power Plant At Anuppur,
- Construction of External Roads & Residential Quarters at Site.

Works On Hand

JOINT VENTURE PROJECT:

NSC - Consortium

Name: Pula Subbaiah Veligonda Project Tunnel 1

Location: Srisailam, Andhra Pradesh.

Client: Sabir, SEW & Prasad (JV)

Value of Work: Rs. 3125.00 Millions

Scope:

- Construction of Tunnel from Kollamvagu in the foreshore of Srisailam reservoir upto Guntur to Kurnool including construction of Head Regulator, Approaches, Approach Channel, Exit Channel Etc of Dia 7 Mts. And length 18.09 Mts. with Horse Shoe Shape.

JOINT VENTURE PROJECT:

ABAN - Coastal (J.V)

Name: Sawra Kuddu Hydro Electric Project

Location: Shimla, Himachal Pradesh

Client: Pabbar Valley Power Corporation Ltd.

Value of Work: Rs. 1160.00 Millions

Scope:

- Construction of 11145 Mts. long Head Race Tunnel and Adits for Sawra Kuddu Hydro Electric Project (111 MW).

JOINT VENTURE PROJECT:

Coastal - Chongqing (J.V)

Name: Thottiyar Hydro Electric Project

Location: Kerala

Client: Kerala State Electricity Board

Value of Work: Rs. 1440.00 Millions

Scope:

- Execution of Thottiyar Hydro Electric Project

Coastal Projects

JOINT VENTURE PROJECT:

HCC - Coastal (J.V)

Name: Pula Subbaiah Veligonda Project Tunnel 2

Location: Srisailam, Andhra Pradesh.

Client: I & CAD Dept., Govt of AP

Value of Work: Rs. 7352.10 Millions

Scope:

- Investigation, design and Execution and Construction of 2nd Tunnel with 9.2 M internal dia for Pula Subbaiah Veligonda Project - Tunnel 2 using Double Shield Tunnel Boring Machine i.e. from Kollam Vagu in the foreshore of Srisailam Reservoir up to Guntur-Kurnool Road to join into the Feeder Canal, Approaches, Approach Channel, exit channel and obtaining necessary permissions from Govt. of India.

JOINT VENTURE PROJECT:

ESSAR - DEC - CPPL Consortium

Name: Pallivasal Hydro Power Project

Location: Kerala

Client: Kerala State Electricity Board

Value of Work: Rs. 650.00 Millions

Scope:

- Construction of 2x30 MW Hydro Power Project inclusive of underground tunneling and power house complex.

JOINT VENTURE PROJECT:

COASTAL PATEL JYOTHI & CBE Consortium

Name: Devadula Lift Irrigation Scheme, Phase-III, Package-II.

Location: Mulugu, Andhra Pradesh

Client: I & CAD Dept., Govt of AP

Value of Work: Rs. 4207.10 Millions

Scope:

- Investigation, Design & Execution of Tunnel of minimum 6.00 M internal diameter or 5.60 M 'D' Shaped with carrying capacity of 49.6 cumecs of water from Bheemghanpur Tank to Ramappa tank and construction of Head Regulator at the entrance portal of tunnel including Civil, Electro-mechanical & Hydro-mechanical, Instrumentation, Auxiliary, miscellaneous equipment and SCADA communication system at Pumping Station in Warangal District of Andhra Pradesh, India.

JOINT VENTURE PROJECT :

AKR - Coastal (J.V)

Name: Canal Excavation & Embankment of Nettampadu L.I.S

Location: Mahabubnagar (Dt.) Andhra Pradesh
Client: I & CAD Dept., Government of Andhra Pradesh.
Value of Work: Rs. 480.60 Millions

Scope:

- Investigation, Design, Estimation & Execution of earthwork excavation & forming embankment of left main canal of Gudemdoddi balancing reservoir of Nettampadu Left Main Canal for a total length of about 8.000 Kms. with carrying capacity of 1.75 Cumec from left flank and 17.40 Cumec and a total length of about 36.000 Kms. starting from the right flank head regulator of Gudemdoddi Bund.

Name: Chuzachen Hydro Electric Project

Location: Sikkim
Client: SEW Construction Ltd.
Value of Work: Rs. 1033.10 Millions

Scope:

- Construction of Tunnels and Adits, Power House, Pressure Shaft, Surge Shaft, Tail Race Tunnel and Ancillary Excavations and Structures for GATI Power Project.

Name: Indo-Bangladesh Border Fencing Project (IBBF)

Location: Meghalaya, Tripura
Client: M/s. National Buildings Construction Corporation Ltd.
M/s. National Projects Construction Corporation Ltd.
Value of Work: Rs. 1498.00 Millions

Scope:

- Construction of Indo-Bangladesh Border Road, Fencing in the state of Meghalaya & Tripura.

Works On Hand

Coastal Projects

Power Projects Promoted By Coastal On BOOT Basis

Project: 2 MW Hydro Electric Power Project

Name: Khanyara Power Plant.

Location: Dambadi, Chirgaon, Rohru, Shimla (Dt.), Himachal Pradesh.
Client: M/s. Himurja
Value of the Project: Rs. 140.00 Millions

Scope:

- This project is constructed along the river Khanyara which is a tributary to river Pabbar on the basis of BOOT.
- Construction of Power House Complex of 20 x 20 Mts. (Min.)
- Civil Construction and construction of Trench Weir, Intake, Open Channel, Desilting Chambers, Forebay, Penstocks.
- Construction of Transmission Line of 4.5 Kms.
- The power generated is supplied to Himachal Pradesh State Electricity Board (HPSEB) with the consent of M/s. Himurja.

Project: 120 MW Hydro Electric Power Project

Project Name: Rangit Hydro Power Project

Location: Sikkim.
Client: In Consortium with JAL Power Ltd.
Value of the Project: Rs. 7200.00 Millions

Scope:

- This project is constructed in the state of Sikkim.
- Construction of Power House Complex
- Civil Construction and construction of Trench Weir, Intake, Open Channel, Desilting Chambers, Forebay, Penstocks.
- Construction of Transmission Line.
- The power generated is supplied to Sikkim State Electricity Board (SSEB) with the consent.

Power Projects Promoted By Coastal On BOOT Basis

Project: 40 MW Hydro Electric Power Project

Name: Rateychu Bakchachu Hydro Electric Power Project

Location: Sikkim.

Value of the Project: Rs. 2400.00 Millions

Scope:

- Construction of Dam and Hydel Power Project on BOOT basis arrangement under Joint Sector as per terms and conditions of the State Government of Sikkim.

Project: 9.00 MW Hydro Electric Power Project

Name: DEWARA Hydro Electric Project

Location: Near Baijnath, Kangra (Dt.), Himachal Pradesh.

Value of the Project: Rs. 430.00 Millions

Scope:

- Construction of Dam.
- Construction of 4 Kms. Tunnel, and finished Dia. of 2.5 Mts, Surface Penstock of 500 Mts., 30 / 40 / 10 Mts. Power House on BOOT basis as per terms and conditions of the State Government of Himachal Pradesh

Power Projects Promoted By Coastal

Coastal Projects

Works Completed

Name: Karnataka State Highways Improvement Project

Location: Karnataka

Client: M/s. AFCONS Infrastructure Limited.

Value of Work: Rs. 310.00 Millions

Scope:

- Rehabilitation of road from Kallubavale Cross to Harihara, Bellary and Davangaere Dist. Karnataka.

Name of Joint venture: SEW Coastal (J.V)

Name: Allain Duhangan Hydro Electric Project

Location: Manali, Himachal Pradesh.

Client: M/s. AD Hydro Power Limited

Value of Work: Rs. 530.00 Millions

Scope:

- Construction of Main Access Tunnel, Power House, Pressure Shaft, Surge Shaft, Tail Race Tunnel and Ancillary Excavations and Structures for Allain Duhangan Hydro Electric Project.

Name: Rampur Hydro Electric Project

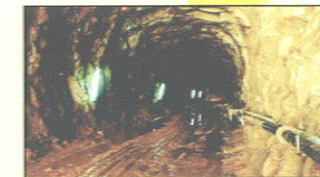

Location: Shimla, Himachal Pradesh

Client: Satluj Jal Vidyut Nigam Ltd.

Value of Work: Rs. 188.80 Millions

Scope:

- Construction of civil works for Goshai and Kunni Adits of Rampur Hydro Electric Project.

Works Completed

Works Completed

Name: Mahatma Gandhi Hydro Electric Tail Race Scheme

Location: Jog Falls, Karnataka

Client: M/s. Ambuthirtha Power Pvt. Ltd.

Value of Work: Rs. 550.00 Millions

Scope:

- Construction of Diversion Dam across Sharavathy River with scour sluice and Intake Structure.
- Head Race Tunnel of 4.9 Mts. dia and length of 3014 Mts.

M.G.H.E. TAIL RACE SCHEME PROJECT SHIMOGA KARNATAKA

M/s. Ambuthirtha Power Pvt. Ltd Bangalore promoted the Mahatma Gandhi Hydro Electric Power Project (Tail Race Scheme). One of the Private Sector Hydro Power Project rising in District Shimoga, Karnataka near the down stream of world famous Jog water falls. The entire contract package awarded to us that includes construction of the Diversion Dam, Intake channel, Head Race Tunnel (4 Kms), Surge Shaft, and Under Ground Pressure Shaft, 2 nos. of Penstocks, Surface Power House, Tail Race Channel and Switch Yard. This BOT project will generate a tune of 22 MW. Electricity and supply to the Karnataka state is executing the entire civil construction of the project.

Project Name: Larji Hydro Electric Power Project

Location: Mandi, Himachal Pradesh

Client: M/s. Continental Construction Company Ltd.

Value of Work: Rs. 900.00 Millions

Scope:

- Construction of civil works for powerhouse complex 108 x 42.50 x 19.80 Mts. Dia.
- Transformer Cavern 50 x 15 x 19.80 Mts.
- Main Axis Tunnel 8 Mts. Finished and 165 Mts. Length.
- Adits to Caverns
- Construction of Draft Tube
- Tail Race Tunnel 10.80 Mts. Finished and 360 Mts. Length.

LARJI HYDRO ELECTRIC POWER PROJECT - HIMACHAL PRADESH.

This 126 MW Larji Hydro Power Project is one of the precious Hydro Power Projects in the valley of District Mandi of Himachal Pradesh under Himachal Pradesh State Electricity Board (HPSEB) situated on the bank of river Beas. We are executing the under ground Penstocks, Under Ground Power House, Transformer Cavern, Draft Tubes, Tail Race Tunnel and permanent access to Power House for M/s. Continental Construction Co. Ltd. New Delhi.

Coastal Projects

Works Completed

Name: Tala Hydro Electric Power Project

Location: Bhutan

Client: M/s. Hindustan Construction Co. Ltd.

Value of Work: Rs. 180.00 Millions.

Scope:

- Construction of junction of HRT with Mirchingchu Adit.
- Underground excavation of horseshoe shaped Head Race Tunnel size of 7 Mts. Dia. & Length of 4500 Mts.

TALA HYDRO ELECTRIC POWER PROJECT-BHUTAN PACKAGE CI.

This is one of the largest Hydro Power Project (1020 MW) constructed by Govt. of India in our neighbouring country of Bhutan. This contract package consists of Diversion Tunnel, Concrete Gravity Dam, Intake, De-silting Chambers and part Head Race Tunnel. We have under taken and completed the construction of Diversion Tunnel and De-silting chambers for M/s. Hindustan Construction Co. Ltd. Mumbai. The 03 nos. of De-silting chambers are one of the largest of its kind with full permanent supporting system for the improvement of additional safety. Coastal Projects completed the diversion tunnel and De-silting chambers ahead of schedule with the introduction of modern mining technologies.

Name: Tala Hydro Electric Power Project

Location: Bhutan

Client: M/s. Hindustan Construction Co. Ltd.

Value of Work: Rs. 140.00 Millions

Scope:

- Diversion Tunnel: Construction of 7mt D section shape 356mt long tunnel
- Construction of Mrchingchu Adit: 7mt D shaped 280mt long.

Works Completed

Works Completed

Works Completed

Name **Teesta Hydro Electric Project, Stage -V**

Location: Makha, Sikkim
 Client: M/s. Gammon India Ltd.
 Value of Work: Rs. 364.30 Millions

Scope:

- Execution of Civil Works for Head Race Tunnel, Length 4.8 Kms.

Name **Maneri Bhali Stage - II**

Location: Dharasu, Uttaranchal
 Client: M/s. National Projects Construction Corporation Ltd.
 Value of Work: Rs. 778.00 Millions.

Scope:

- Construction of balance works of Head Race Tunnel 6mt Dia, length of 4000 Mts., Horse shoe shaped.
- Construction of Surge Shaft 13.70 Mts. Dia and 176 Mts. deep.

Name **Loharinag Pala Hydro Electric Power Project**

Location: Uttaranchal
 Client: M/s. National Thermal Power Corporation Ltd.
 Value of Work: Rs. 98.00 Millions.

Scope:

- Construction of Adits to Head Race Tunnel for Loharinag Pala Hydro Electric Power Project (4 x 150 MW)
- 6 Mts. Dia. D Shaped and Length of 419, 414 and 512 Mts.

Coastal Projects

Works Completed

Name **Katra End Railway Tunnel**

Location: Udhampur, Jammu & Kashmir
 Client: M/s. Patel Engineering Company Ltd.
 Value of Work: Rs. 96.30 Millions

Scope:

- Construction of single line Railway B.G. Tunnel No.1 size 5.5 Mts. Dia and length of 1500 Mts. including cut and cover between Km. 03/700 from Katra end as per approved plans between Udhampur-Katra in connection with Udhampur Srinagar- Baramulla rail link project.

UDHAMPUR KATRA END RAILWAY TUNNEL PROJECT- JAMMU & KASHMIR.

Udhampur Katra End Railway Project is in route of the Valley of lower Shivalik Region of Great Himalayas named JAMMU SRINAGAR BARAMULLAH RAIL LINK PROJECT which is India's largest Civil Engineering Construction Network in progress with Northern Railway, covering hundred number of Tunnels, long and small bridges, cable stayed bridges, Under and Over Pass etc. In this contract, we have associated with M/s. Patel Engineering Ltd. Mumbai for the construction of Single Line Broad Gauge Railway tunnel in a stretch of 3.20 Kms. in District Udhampur. Due to the deposit of sand blended clay and silt granites, Company adopted Heading and Benching method with permanent steel supports as parallel activity.

Project Name: **Maujhi Hydro Electric Power Project**

Location: Dharmasala, Himachal Pradesh
 Client: Dharmasala Hydro Power Ltd.
 Value of the Project : Rs. 120.00 Millions

Scope:

- Construction of Trench Weir, Open Channel, Link Tunnel, Desilting Tank, Cut & Cover, Forebay structure, Steel penstock including saddles and Anchor block, Power House building, Tail Race channel.
- Tunnel size 2.8 Mts. dia and length of 350 Mts.

Works Completed

Works Completed

Works Completed

Name Simhadri Thermal Power Project Stage- 1

Location: Visakhapatnam, Andhra Pradesh
 Client: M/s. Patel Engineering Company Ltd.
 Value of Work: Rs. 200.00 Millions

Scope:

- Leveling, Grading, Diversion of canal, Road works and bridge and construction of water scheme including topographical survey of entire plant.

Name Parbathi Hydro Electric Project

Location: Himachal Pradesh
 Client: M/s. Patel Engineering Company Ltd.
 Value of Work: Rs. 110.00 Millions

Scope:

- Civil Construction works for Diversion Dam and part Head Race Tunnel 7 Mts. Dia.

Name Srisailam Left Bank Hydro Electric Scheme

Location: Srisailam, Andhra Pradesh
 Client: M/s. Patel Engineering Company Ltd.
 Value of Work: Rs. 180.00 Millions

Scope:

- Construction of underground works of T.R.T., Powerhouse complex, surge shaft, Draft tubes

Works Completed

Works Completed

Name Residential Apartments

Location: Hyderabad, Andhra Pradesh
 Value of Work: Rs. 150.00 Millions

Scope:

- Construction of residential apartments in the city of Hyderabad, Andhra Pradesh.

MISCELLANEOUS WORKS :

Name Border Fencing Works

Location: Tripura
 Client: National Buildings Construction Corporation Ltd.
 National Projects Construction Corporation Ltd. & EPI

Value of Work: Rs. 1314.90 Millions

Scope:

- Border fencing along Indo-Bangladesh Border (IBB) in the Eastern Sector.

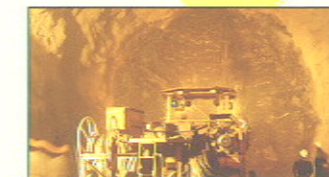

Name Other Miscellaneous Works

Clients: Gammon India Ltd., Govt. Of Orissa, M.D.Kutubuddin, KNR-Patel (J.V), Ambuthirtha Power Pvt. Ltd., Arkey Energy Ltd., GEA Energies System (I) Ltd., S.S.Construction, Orissa Mining Corporation, M/s. Hutti Gold Mines Company Ltd., M/s. A.K.R & Co.

Value of Work: Rs. 1374.30 Millions

Scope:

- Civil Works, Quarry Development, Excavation Work, Ore rising & Transportation...etc.

Works Completed

Works Completed

Name: Modernisation of Nagarjuna Sagar Project

Location: Nagarjuna Sagar Jawahar Canal, A.P.

Client: GOVT. OF AP, I & CAD (PW) DEPARTMENT

Value of Work: Rs. 140.30 Millions

Scope:

- NSP-APWSIP-Resectioning from KM.55.230 to KM. 100.986 & KM.0.00 to KM.29.135 of Addanki Branch Canal and from Km.0.00 to KM.40.819 of Pedanandipadu Branch Canal in Block Nos .11 part & 10 of Nagarjuna Sagar Jawahar Canal A.P.India

Name: International School Building

Location: Guwahati, Assam.

Client: Dharampal Satyapal Ltd.

Value of Work: Rs. 285.00 Millions

Scope:

- Construction of International School Building including Civil Works, Electrical, Plumbing and all Finishing Works at Guwahati, Assam.

JOINT VENTURE PROJECT :

AKR - Coastal (J.V)

Name: Canal Excavation of SRSP, Stage II

Location: Velishala (Vill.), Nalgonda (Dt.) Andhra Pradesh

Client: I & CAD Dept., Government of Andhra Pradesh.

Value of Work: Rs. 729.90 Millions

Scope:

- Earth work excavation & forming embankment & construction of CM & CD work including investigation, designing & estimating of distributory system including distributaries, majors, minors, sub-minors & field channels of DBM 69 of SRSP, Stage II.

Works Completed

Coastal Projects

Works Completed

JOINT VENTURE PROJECT :

AKR - Coastal (J.V)

Name: Canal Excavation of AMR Project

Location: Nalgonda (Dt.) Andhra Pradesh

Client: I & CAD Dept., Government of Andhra Pradesh.

Value of Work: Rs. 671.20 Millions

Scope:

- Conducting survey detailed investigation of Low level canal (L.L.C) from Km. 27.000 to Km.63.000 and distributory system covered from Km.0.000 to Km.63.000 of L.L.C covering approximate ayacut of 37,000 acres of preparation of Hydraulic particulars excavation and formation of embankments wherever necessary and construction of whole distributory system and related works.

JOINT VENTURE PROJECT :

Coastal - Sri Vijetha (J.V)

Name: Housing Project

Location: Kondapur, Hyderabad, Andhra Pradesh.

Client: SHL Ventures

Value of Work: Rs. 202.10 Millions

Scope:

- Construction of Housing Project and annexure structures at Kondapur for SHL Ventures, Civil works as contained in the BOQ
